Thanks Gretchen.

David, I see that Vince Fong is McCarthy's District Director. Chad Hathaway added him to the distribution list this afternoon for the email response on his FOIA request re the Fruitvale Field Class I injection wells.

Clean Power Rule – At the request of headquarters, posted to our [Facebook](#) page about the proposed [Clean Power Plan for Existing Power Plants](#).

CONGRESSIONAL & INTERGOVERNMENTAL

Call with Jason Gray of House Appropriations Committee: DRA Alexis Strauss along with Water Division's Mike Montgomery and David Albright provided an update on the California UIC issue and the status of the aquifer exemptions to Jason Gray of the House Appropriations Subcommittee on Interior, Environment, and Related Agencies. Ed Walsh of HQ OCFO helped coordinate and participated in this call and Brent Maier joined this discussion. We committed to updating Jason on any new developments as this issue moves forward.

Rep. Kevin McCarthy (R-CA-23): Kyle Lombardi, Legislative Director for House Majority Leader Kevin McCarthy sent a note to Water Division's Mike Montgomery and David Albright requesting an update for himself and Vince Fong, District Director on the status of California UIC exempt aquifers issue. Brent Maier has confirmed a call for Monday, July 27th at 1:00pm PT and provided a call-in number and access code to all participants.

Rep. Ami Bera (D-CA-7): A new incoming letter (#AL-15-001-1753) from Congressman Ami Bera was controlled to Region IX regarding the status of an EPA audit of the City of Elk Grove's Stormwater Management Program. Brent Maier has controlled this new incoming letter to Claire Trombadore in our Enforcement Division for her to work with David Wampler to assign someone to develop a draft response for final signature by the Regional Administrator by due date of August 5, 2015.

Rep. Gregorio Sablan (CNMI) Staffer Becky Lizama had questions on Water grants breakdown for CNMI. Mike Lee of Water Division answered all of her questions regarding the various projects they were interested in. Dean Higuchi

House Energy and Commerce Committee: The House Energy and Commerce Subcommittee on Energy and Power voted today to approve an energy package, sending the bill to the full committee for a vote expected to take place in September. The

Subcommittee approved the legislation by voice vote and without amendment. The legislation which includes titles on modernizing infrastructure, building a "21st century workforce," energy security and energy efficiency - is the product of months of public and private discussions with Republicans and Democrats on the committee.
